

LIGHTNING MAX REPAIR

Milwaukee® understands the unpredictability of the jobsite and the need for fast, reliable repairs & replacements. Through our Lightning Max Repair Program we are committed to providing you the best service so you can minimize the downtime and get the job done.

With our Lightning Max Repair Program you will enjoy the following benefits:

SPEED –Repair your tool in one week or less

PAY LESS NOT MORE –Guaranteed to never pay more than the quoted Lightning Max Repair price

RELIABILITY –All repairs are serviced by experienced, certified factory technicians

QUALITY –Only genuine Milwaukee® parts used

LIGHTNING MAX Repairs INCLUDE:

- Repairs at a certified Milwaukee® repair facility
- A full teardown inspection and cleaning
- Replacement of worn & damaged parts
- Complete re-lubrication
- Full performance & safety tests assuring the mechanical & electrical safety of your tool

We reserve the right to replace your tool with one of equal or higher value should its repair meet or exceed our Lightning MAX threshold. Additionally, we reserve the right to refuse to repair a tool at a Lightning MAX Repair price if the tool is deemed un-economical to repair, missing parts, damaged or worn beyond reasonable repair, obsolete or is not listed on this list. Tool is disassembled to determine the full extent of required repair, a tool deemed un-economical to repair is returned disassembled

Prices quoted are for ONLY the tool's repair and do not include applicable Sales Tax or Shipping & Handling charges

Lightning Max Repair price only includes the tool itself (batteries, charger, are listed separately)

Please see the Lightning Max Repair price list below to determine the Max Repair cost if your product is not shown, please call 1-877-948-2360 for pricing.
