### **Milwaukee® Unveils Their First Line of Framing Nailers and an Upgraded 18ga Brad Nailer**

MILWAUKEE, WI- Milwaukee Tool continues to expand its line of cordless solutions from frame to finish with the introduction of their very first cordless framing nailers, the M18 FUEL™ 21° Framing Nailer and M18 FUEL™ 30° Framing Nailer. Delivering the power to sink nails in engineered lumber, these framing nailers can also fire up to 3 nails per second with no gas cartridges. Milwaukee® will also launch a completely redesigned compact M18 FUEL™ 18ga Brad Nailer with the power to consistently drive nails in soft and hard woods while leaving clean nail holes, and with no ramp-up time.

“For years our users have demanded a Milwaukee® cordless solution to their framing nailer frustrations. Unwilling to settle for subpar performance, we continued to advance our technologies until we could provide a truly game-changing solution for these users,” said Sean Kelley, Product Manager for Milwaukee Tool. “This year we’re proud to finally unveil our first lineup of cordless framing nailers. With no gas cartridges necessary, the power to sink nails in the most demanding materials, and the fire rate to keep users productive throughout their day, these new framing nailers were worth the wait!”

With best-in-class power, the M18 FUEL™\*\* Framing Nailers deliver a fire rate similar to pneumatic to keep users productive. The nailers have also been optimized with the size necessary to fit between studs and a balanced weight to limit fatigue. An optional Extended

Capacity Magazine accepting two strips of nails is also available for these tools, allowing users to work longer before needing to reload.

With no gas cartridges, a POWERSTATE™ brushless motor, and no cleaning required, the nailers are designed to deliver durability and reliability to the most demanding users with very little maintenance. Coupled with the fact that the tools fire up to 3 nails per second, users will experience greatly reduced downtime and maximized productivity.

### **M18 FUEL™ 18ga Brad Nailer**

Milwaukee has also completely redesigned, from the ground-up, their M18 FUEL™ 18ga Brad Nailer. The new tool delivers clean, consistent nail holes in a compact size and with zero ramp-up time. It has been optimized to consistently sink nails sub-flush in all common materials and orientations, with reduced recoil and a reduced hole size left by the nail and striker. In addition, the front of the tool has been streamlined to improve line-of-sight to the work surface and access to tight spaces, and the overall weight has been reduced for better balance and less fatigue.

Milwaukee is committed to improving productivity by providing performance-driven and trade-focused solutions so users can perform an entire day's work on one battery system. The new M18 FUEL™ Framing Nailers and M18 FUEL™ 18ga Brad Nailer are fully compatible with the entire M18™ line, and are a true testament to Milwaukee's focus on investing in game-changing technology that truly delivers breakthrough solutions for users.

*\*Depending on the application.*

**\*\* M18 FUEL™ is engineered for the most demanding tradesmen in the world. Delivering unrivaled performance, all M18 FUEL™ products feature three Milwaukee®-exclusive innovations—The POWERSTATE™ Brushless Motor, REDLITHIUM™ Battery Pack and REDLINK PLUS™ Intelligence Hardware and Software—that deliver unmatched power, run-time and durability on the jobsite. Simply put, M18 FUEL™ tools are the most powerful 18V cordless tools in their class.**

## **Finish Nailer Specifications**

### **M18 FUEL™ 18GA Brad Nailer (2746-21CT) – NEW!**

- Nail Sizes: 5/8" – 2-1/8"
- Magazine Capacity: 110 nails
- 1500 nails per charge on a REDLITHIUM 2.0 Compact Battery
- Sequential and Contact Actuation Modes
- Dry-Fire Lockout, Adjustable Belt Hook & LED Work Light

**Includes M18 FUEL™ 18GA Brad Nailer, (1) M18™ REDLITHIUM™ 2.0 Compact Battery Packs, Charger and Contractor Bag.**

\*Also available as bare tool (2746-20)

### **M18 FUEL™ 16 GA Straight Nail Finish Nailer (2741-21CT)**

- Nail Sizes: 3/4" – 2-1/2"
- Magazine Capacity: 110 nails
- 800 nails per charge on a REDLITHIUM 2.0 Compact Battery
- Sequential and Contact Actuation Modes
- Dry-Fire Lockout, Adjustable Belt Hook & LED Work Light

**Includes M18 FUEL™ 16GA Finish Nailer, (1) M18™ REDLITHIUM™ 2.0 Compact Battery Packs, Charger and Carrying Case**

\*Also available as bare tool (2741-20)

### **M18 FUEL™ 16 GA Angled Nail Finish Nailer (2742-21CT)**

- Nail Sizes: 1-1/4" – 2-1/2"
- Magazine Capacity: 110 nails
- 800 nails per charge on a REDLITHIUM 2.0 Compact Battery
- Sequential and Contact Actuation Modes
- Dry-Fire Lockout, Adjustable Belt Hook & LED Work Light

**Includes M18 FUEL™ 16GA Finish Nailer, (1) M18™ REDLITHIUM™ 2.0 Compact Battery Packs, Charger and Carrying Case**

\*Also available as bare tool (2742-20)

### **M18 FUEL™ 15 GA Angled Nail Finish Nailer (2743-21CT)**

- Nail Sizes: 1-1/4" – 2-1/2"
- Magazine Capacity: 110 nails
- 700 nails per charge on a REDLITHIUM 2.0 Compact Battery
- Sequential and Contact Actuation Modes
- Dry-Fire Lockout, Adjustable Belt Hook & LED Work Light

**Includes M18 FUEL™ 15GA Finish Nailer, (1) M18™ REDLITHIUM™ 2.0 Compact Battery Packs, Charger and Carrying Case**

\*Also available as bare tool (2743-20)

## **Framing Nailer Specifications**

### **M18 FUEL™ 21° Framing Nailer (2744-21) – NEW!**

- Nail Sizes: 2" – 3-1/2"
- Nail Diameter: 0.113" – 0.148"

- Magazine Capacity: 45 nails
- 700 nails per charge on a REDLITHIUM XC5.0 Battery
- Sequential and Contact Actuation Modes
- Dry-Fire Lockout, Belt Hook, Rafter Hook, & LED Work Light

**Includes M18 FUEL™ 21° Framing Nailer, (1) M18™ REDLITHIUM™ XC5.0 Battery Pack, Charger and Carrying Case**

\*Also available as bare tool (2744-20)

**M18 FUEL 21° Framing Nailer Extended Magazine (48-08-2744) – NEW!**

- Magazine Capacity: 83 nails
- Nail Sizes: 2” – 3-1/2”
- Nail Diameter: 0.113” – 0.148”

**M18 FUEL™ 30° Framing Nailer (2745-21) – NEW!**

- Nail Sizes: 2” – 3-1/2”
- Nail Diameter: 0.113” – 0.131”
- Magazine Capacity: 110 nails
- 700 nails per charge on a REDLITHIUM XC5.0 Battery
- Sequential and Contact Actuation Modes
- Dry-Fire Lockout, Belt Hook, Rafter Hook, & LED Work Light

**Includes M18 FUEL™ 30° Framing Nailer, (1) M18™ REDLITHIUM™ 2.0 Compact Battery Packs, Charger and Carrying Case.**

\*Also available as bare tool (2745-20)

**M18 FUEL 30° Framing Nailer Extended Magazine (48-08-2745) – NEW!**

- Magazine Capacity: 105 nails
- Nail Sizes: 2” – 3-1/2”
- Nail Diameter: 0.113” – 0.131”

**About Milwaukee Tool**

Milwaukee Tool, founded in 1924, is a global leader in delivering innovative solutions to the professional construction trades that offer increased productivity and unmatched durability. Whether it is through their world-leading M12™ and M18™ cordless systems, the ground-breaking performance of their M12 and M18 FUEL™ products, jobsite lighting, time-saving accessories, or innovative hand tool and storage products, Milwaukee is dedicated to delivering a steady stream of advanced, trade-specific solutions. Milwaukee Tool is a Brookfield, Wisconsin-based subsidiary of Techtronic Industries Co. Ltd. (TTI) (HKEx stock code: 669, ADR symbol: TTNDY).
